U.S. Army

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The 1990s saw a significant increase in the number of people with mental health problems who were admitted to hospital. This was due to a number of factors, including the fact that the number of people with mental health problems who were admitted to hospital increased from 1990 to 1999. This was due to a number of factors, including the fact that the number of people with mental health problems who were admitted to hospital increased from 1990 to 1999. This was due to a number of factors, including the fact that the number of people with mental health problems who were admitted to hospital increased from 1990 to 1999.
